

LeechCraft - Bug #2007

Standard styles were broken

07/27/2016 09:50 PM - krigstask

Status:	Closed	Start date:	07/27/2016
Priority:	Normal	Due date:

Category:	Plugins: Azoth	Estimated time:	1.00 hour
Target version:	0.6.75		
Reported in:	master		

Description

After some update of Leechcraft from git master all Standard styles (including my personal favourite Lime Dawn) stopped working (see screenshot attached).
StandardStyles plugin is built and enabled.
I'm almost sure that version built on Jun 24 was fine, and I found it after rebuilding on Jul 25. I would have run `git bisect`, but I'm using Gentoo packages, and can't figure out how to build Azoth-only binary from repo.

```
[ebuild R ] app-leechcraft/lc-azoth-9999 USE="acetamide adiumstyles autoidler autopaste birth
daynotifier chathistory crypt depester embedmedia herbicide hili isterique juick keeso lastseen me
tacontacts murm nativeemoticons otroid spell standardstyles vader xmpp -astrality -debug -doc -lat
ex -media (-sarin) -shx -velvetbird -woodpecker -xtazy"
```

Also Azoth

History

#1 - 07/27/2016 09:51 PM - krigstask

Also Azoth

Sorry, that's a screwup.

#2 - 07/31/2016 11:17 PM - krigstask

Seems to be fixed somewhere in between *ee9af1a..f25b9da!*

#3 - 08/09/2016 03:06 AM - 0xd34df00d

- Estimated time set to 1.00 h
- % Done changed from 0 to 100
- Target version set to 0.6.75
- Status changed from New to Closed

Yep, all styles were broken for a few revisions. Moreover, most resources loading was broken. Bad refactoring that was.
