

LeechCraft - Bug #2017

[Murm] Only outgoing messages are displayed in history fetched from the server

10/12/2016 12:28 AM - krigstask

Status:	New	Start date:	10/12/2016
Priority:	Normal	Due date:	
Assignee:	0xd34df00d	% Done:	0%
Category:	Plugins: Azoth	Estimated time:	0.00 hour
Target version:			
Reported in:	master		
Description			
Steps to reproduce: 1. Close Leechcraft. 2. Have a dialog with somebody via your VK account (be sure to get some messages as well as send) 3. Start Leechcraft+Azoth+Murm, connect to server and open a chat with that somebody			
Expected results: Last 10 messages from history include the whole dialog from p. 2			
Actual results: Incoming messages are omitted.			
This does not include messages that Leechcraft+Azoth+Murm got while being connected to server.
