

LeechCraft - Feature #334

Support for voice/video calls

03/13/2011 05:26 PM - 0xd34df00d

Status:	Closed	Start date:	03/13/2011
Priority:	Normal	Due date:	
Assignee:	0xd34df00d	% Done:	100%
Category:	Plugins: Azoth	Estimated time:	50.00 hours
Target version:	0.4.80		
Description			
Universal support for voice/video calls for the protocols that support it.			
Test & implement with the Xoox plugin, using the QXmpp's Jingle implementation.			

History

#1 - 06/29/2011 11:58 AM - 0xd34df00d

- Status changed from New to Assigned
- % Done changed from 0 to 50
- Estimated time set to 50.00 h

#2 - 07/05/2011 11:19 PM - 0xd34df00d

- Status changed from Assigned to Closed
- % Done changed from 50 to 100

Audio part implemented, video would be easier, but a separate task.
