

LeechCraft - Feature #382

Rework entity handler dialog

05/04/2011 07:56 AM - 0xd34df00d

Status:	Closed	Start date:	05/04/2011
Priority:	Normal	Due date:	
Assignee:	0xd34df00d	% Done:	100%
Category:	Core	Estimated time:	4.00 hours
Target version:	0.4.75		
Description			
Make "Browse" not an item in the combobox, but a pushbutton near it. Pressing on the pushbutton should not close the dialog, instead, the target directory selection dialog should popup and be used to select the save path. Until the user presses "OK" or "Cancel", the entity handler dialog should not close, and the chosen path should not be saved in the history.
